PETITE FRITURE est un éditeur de design fondé en 2009 et animé par Amélie du Passage.

A travers des collaborations originales avec des designers venus d'horizons variés, PETITE FRITURE s'applique à donner vie à des produits, des lieux et des moments qui sont beaux, légers et sensibles. Tous irrigués par le même esprit et réalisés avec la même exigence d'éxécution.

Chez PETITE FRITURE, nous avons le goût pour une création émergente et audacieuse, qui ignore les frontières et suscite une émotion.

Afin de vous faire découvrir cette création qui nous passionne, nous vous invitons dans une expérience qui surprend et fait sourire.

OUR WORK

PETITE FRITURE IS AN «ÉDITEUR DE DESIGN» DEVOTED TO THE INTERIOR. THROUGH EVERY STEP OF THE CREATION PROCESS, DESIGNERS, CREATIVE THINKERS, MANUFACTURERS AND ARTISANS COME TOGETHER TO GIVE LIFE TO FURNITURE, LIGHTING AND DECORATIVE OBJECTS.

We imagine

Filled with a great sense of curiosity about the world and the variety of talent it has to offer, we identify the designers and creative thinkers who share our acute sense of style and our taste for creativity. With them, we imagine and design new Petite Friture products.

We design

Manufacturers and artisans turn dreams into reality. In line with our high standards and meticulous attention to detail, we orchestrate the production of our objects from start to finish, making sure they truly embody our vision of beauty.

We experiment

Beyond objects, we create a whole world of experience characterised by a spirited aesthetic filled with surprises and imagination. This is what "home" means to us: an invitation to a positive and playful art de vivre.

PETITE FRITURE est un éditeur de design dédié à la maison. Au fil des étapes de travail, nous réunissons designers et créatifs, fabricants industriels et artisans pour créer ensemble des chaises, lampes, canapés et autres objets vernaculaires.

***Imaginer** | Animés par notre grande curiosité pour le monde et la diversité de ses talents, nous identifions les designers et créatifs qui partagent notre exigence esthétique et goût pour la fantaisie.*
C'est avec eux que nous imaginons et dessinons les nouveaux produits PETITE FRITURE.

***Concevoir** | Avec fabricants industriels et artisans le rêve prend vie. Avec une grande exigence et attention du détail nous orchestrons la production de nos objets afin de donner corps à l'esthétique que nous défendons.*

***Expérimenter** | Plus que des objets, nous créons un univers d'expérience qui se distingue par une esthétique narrative et vibrante faite d'imprévus et d'imagination. C'est ainsi que nous concevons la maison, comme une invitation à un art de vivre joyeux et optimiste.*

LIGHTING

VERTIGO

CONSTANCE GUISSET

Movement, illusion, lightness, surprise… VERTIGO reduces space to an intimate atmosphere and comes to life when draughts make it slightly lose its balance.

P37.

MÉDITERRANÉA

NOÉ DUCHAUFOUR LAWRANCE

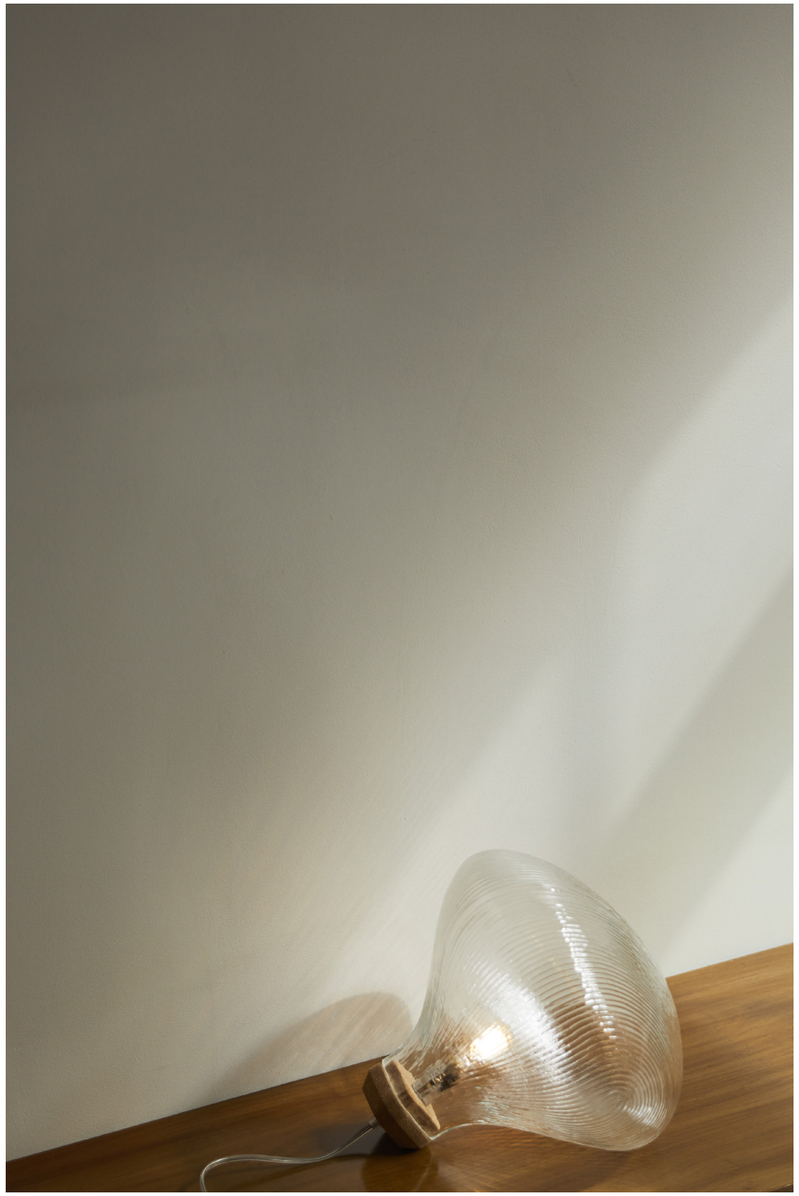
Inspired by the weightlessness « of laundry billowing in Mediterranean balconies" Méditerranéa is an elegant series of light: a cloth of brass with a perforated graphic motif, resting on a light structure, which sculpts and diffuses the LED light.

TIDELIGHT

PIERRE FAVRESSE

Hand blown in a mould, TIDELIGHT's texture and shape increase light's diffusion and striped glow.

P36.



LANTERNA

SAM BARON

From a simple lamp to a recollection of Chinese rounded lantern, the pendant lamp LANTERNA with its golden heart is a tribute to light.

P35.

MÉDITERRANÉA

NOÉ DUCHAUFOUR LAWRANCE

Mediterranéa's clean-cut graphic lines are crafted from brass using innovative technological processes, that creates a unique lace effect on the shade.

CHERRY

DANIEL • EMMA

Head over heels or cherry on the bottom, with the CHERRY pendant lamps, the designers, from Daniel • Emma studio, enhance light with the irised cherry and its conical hat.

P33.

GRILLO

ELISE FOUIN

The wall lamp GRILLO is a simple perforated circle that defracts and dims light like a solar eclipse. GRILLO exists in two versions : the wall lamp with a simple electrical point connected directly to the wall, and the wall lamp embellished by a colored cable (switch and plug) providing a great liberty to set up the lamp as it suits you.

P34.

AURA

TOMAS KRAL

AURA is a pendant lamp in a rolled metal sheet which plays with light in the same way as a delicate lace veil.

WEEK-END

STUDIO BRICHETZIEGLER

The WEEK-END collection is a complete range of outdoor furniture. The oval and circular shape drawn by the backrests makes them a graphic statement. The impact of the horizontal and vertical slats, so similar to stripes, highlights the full and empty spaces, asserting the identity of the collection.

SOFAS & ARMCHAIRS

GRID

POOL

GRID is an all-modular system created with basic modules: a simple armchair, a corner armchair, a stool and coffee table. They can all be connected by a simple attaching system in order to create a number of configurations: 3 seater sofa, a corner sofa, a loveseat… to suit your every whim.

NUBILO

CONSTANCE GUISSET

Clouds, balloons, pebbles… Nubilo becomes a dreamlike destination, a stepping stone for our imagination.

HOFF

MORTEN & JONAS

Hoff is a collection of two modular stools and two modular armchairs. They can combine to make a sofa as well as an entire living room area.
