Construction Lamp Suspended L

The industrial design of the Construction Lamp Suspended blends in nicely with its two elegant colour nuances and stylish brass details. Joost van Bleiswijk's signature electricity pole structure connects the lamp's shade to the ceiling, completing its look and feel with a touch of vintage Meccano.

Designer	Joost van Bleiswijk
Year of design	2016
Material	Die cast powdercoated aluminium, wooden version with wood slats.

Construction Suspended L technical (ce)

Material :
Die cast powdercoated aluminium, wooden version with wood slats
