Bart Swivel

by Moooi Works | Bart Schilder One of the members of the Bart Family collection couldn't quite sit still and developed a look around, comfortably and in style. The roundness of the armchair's design is completed by the circular motion, which also adds another dimension to its coziness and to our freedom of movement. Are you too active or inspired to sit still? Swivel your Bart armchair around & enjoy another point of view!

Designer	Moooi Works
Year of design	2014
Material	Wooden frame covered in foam and dacron, the seat cushion is made in foam.
Additional	Swivel your Bart armchair around & enjoy another point of view!

technical

The Bart Swivel is constructed from a wood frame covered in foam and dacron, the seat cushion is made in foam and removable.

Bart Swivel is produced with removable covers for the seat cushion and all pillows (please check per category).

cleaning instructions

Moooi recommends using a good furniture polish and a soft cloth. Apply generously in layers to the surface and use the cloth to shine. Do not use abrasive fabrics, gently remove tough stains with warm water and a trusted multi-surface cleaner.
