

Natura series

Designed by Bolia Design Team, Denmark

Natura is chemical-free and made from 100% Indian wool. With inspiration taken from the Scandinavian nature, the design is simple and natural, and the muted colours create a soft foundation for your decor. Use the rug to welcome guests in the hall or at the foot of your bed, and invite some nature into an everyday context.

Meet the designer

We believe that good design is not only about what you see but also about how it is created and the emotions it stirs. Rooted in Scandinavian design traditions, a liberal view of human nature and respect for nature and people, we always stand by our core values – also in our designs. We love functional design, natural materials, beautiful rooms, craftsmanship, durability and substance. Design that is tailored specifically for you and made to last for years.
