Sofa  
Art. no.: 2-139

Chair  
Art. no.: 2-140

### Description:

#### **Elegant and practical**

This sofa bed has it all. Style, comfort, a hidden bed and eight backrest positions. It's compact and perfect for small urban spaces, and it's available as a chair that turn into a single bed and as a sofa that turns into a bed for two people.

Year of design: 2006

### Function:

Multiple uses:

Comfortable chair or sofa for 2 or 3 persons.

Easily converted into a comfortable double bed or single bed.

Seat is folded out and the back rest of both the chair and the sofa can be adjusted into 8 different positions for individual comfort.

### Sales Arguments:

Small, elegant and functional...

CORD is available as a small 2P sofa as well as a chair, both with a "hidden" bed function. A rather tight design is softened by the pillow-like armrests and practical back cushions. In spite of a width of only 170 cm, CORD is a "real" sofa bed, which offers a comfortable sleeping place for two persons. The chair can also be folded out and used as a single bed. The possibility of adjusting the back into 8 different positions gives CORD an extra dimension of comfort.
