Aska Lounge Chair

Product facts

Materials

Solid Oak

Available finishes: White, Natural or Smoked Oak Oil

Solid Walnut

Available finishes: Natural Oil

Upholstery

Available options: Fabric or Leather

Technical features

Frame

The Aska Lounge Chair's frame is made of solid wood. The legs are subtly tapered using woodturning lathe technology and are seamlessly connected to the armrests with distinctive wedged round tenon joints. Felt gliders are attached to the legs, making the chair suitable for most types of flooring.

Upholstery

The upholstery covers both the seat and backrest in a continuous, seamless manner, showcasing precise tailoring. It offers a balance of support and comfort. The seat is gently contoured to cradle the user, while the backrest is ergonomically angled for a relaxed seating experience.

Finish

Available in three plant-based Hardwax Oil finishes that preserve the natural appearance of the wood: White, Natural, and Smoked Oil (for the solid oak version). The walnut version is available exclusively in a Natural Oil finish.

Cleaning

Please see [Product](#) or [Material](#) page on our website.

Notes to consider

Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

Dimensions (tolerances)

Dimensions are indicative and may vary slightly due to the natural properties of wood, seasonal changes, or manufacturing processes. Deviations are typically within 1 cm.

Environmental profile

Sustainable approach

One pivotal aspect of our commitment to sustainability is our firm dedication to sourcing wood only from FSC®-certified forestry. With 85% of GAZZDA products bearing the FSC® label (FSC-C130602), you can be assured of its ethical origin and contribution to preserving our precious forests.
