

NOOMI STRING

Chair
Art. no.: 2-445

Description:

NOOMI String – growing into something new

With references to branches on a tree the delicate slightly bended legs seize the upper part of the NOOMI chair and creates a strong graphic expression. The frame is light but distinctive in its modern shape and almost makes the soft, rounded upper part of the chair look like it's hovering above the floor. An ultra modern chair where steel and fabric meet in a harmonic and organic whole.

Year of design: 2016

Design: SUSANNE GRØNLUND

After completing her training at Danmarks Designskole, Susanne Grønlund set up her own studio 1991 and since she has designed and developed a wide and rewarded range of products like: textiles, clothing, toys, lifestyle products, lamps, outdoor furniture and not least furniture.

Common for all the new ideas is that they all take starting point in a simple and easy to grasp design style without compromising the function and quality. Her red thread is the Scandinavian design tradition with a humorous contemporary touch which is all combined in a continuous row of innovative ideas and projects, like beads on a string.
