RESPONSIBLE SINCE 2003

SUSTAINABLE ALPACA AND COTTON TEXTILES

2021

Welcome to Elvang Denmark

We create luxurious sustainable textiles in a timeless Danish design. Made from exquisite natural alpaca and organic cotton fibres.

Since the very beginning in 2003 we have placed responsible thinking in the centre of everything that we do. We are sustainable. We act ethically.

This has led to the highest possible level of recognition within the World Fair Trade Organization (WFTO) as guaranteed member.

The WFTO recognition and our participation in the UN Global Compact Initiative ensure the protection of people, animals and the environment.

Sustainability is the goal. A goal that can be achieved by *acting* responsibly. And that is what we do.

We are sustainable. We act responsibly. And we have since 2003.
