COPENHAGEN

CLAM TABLE LAMP

The Clam series is a family of table and wall lamps. The lamps are characterized by its two opposing lampshades and how Clam celebrates the contrasts between direct and indirect lighting.

The minimalistic lamp with the gently curved metal screens hides the light source, while smoothly reflecting the light to both sides.

The lamp is beautifully crafted in oxidized, plated, and subsequent hand brushed metal.

Designed by Kristian Sofus Hansen & Tommy Hyldahl

Designer / Year of design:

Kristian Sofus Hansen & Tommy Hyldahl, 2017

Metal: Plated metal / Burned black Cable: Fabric covered cable with

switch / Black

Dimensions: L30 / W15 / H43,5 CM Cable lenght: 200 CM

Packaging: Dimensions: L53 / W46 / H31 CM

Recommended Light Source: Pygmy - Matt Porcelain - E14

Does not comply with US Standards.
