PALLARÈS × AUDO PLANT TOOLS, SET OF 3
Designed by *Pallarès Exclusively* for *Audo*

Created exclusively for Audo by Spanish toolmakers Pallarès, with 100 years of experience as manufactures of knives and tools of the highest quality. The set includes a trowel, hand rake, and hoe, and are intended for digging, weeding, or preparing the soil for transplanting. Handmade from carbon steel for exceptional strength, the ergonomic, lightweight designs are fitted with oak handles and leather details, and bear the hallmarks of fine metal craft.

Carbon steel is an incredibly strong and long-lasting metal alloy, but requires some special care to maximize the lifetime of your product. Read more in our care & maintenance guide.
