Description:

A lounge series in a modern yet timeless design with a function and style that offer lots of possibilities. Opera can be used as a versatile lounge chair in traditional seating groups, in larger configurations, or as a chair that provides privacy, a space for contemplation or conversation – depending on whether you choose a chair with a high or low back or arrange the chairs in groups with a combination of both models. Opera's design provides a high degree of versatility as regards materials and colours. It was created with contemporary lifestyles and needs for communication, interaction and privacy in mind.

Year of design: 2014
