STORYTELLING

CASTELLUM SIDE TABLE / BY HENRIK JOHANNES DRECKER

The talented product designer, Henrik Johannes Drecker, has created the CASTELLUM side table, whose graceful golden sphere aligns the entire collection, originally inspired by the majestic Danish church Grundtvigs Kirke. The divine expression of this design cultivates structure and simplicity in an unseen way. The CASTELLUM side table is a perfect focal point next to your living room sofa, or as a nightstand in the bedroom, to keep your belongings safe.
