

deer + giraffe + rhino + swan + gorilla

by Kai Linke
STATUETTES

A crash, a tower; a herd, a flock. However you name this groupe, they simply belong together. Stirred by explorations into nature and art, German designer Kai Linke has handcrafted a diverse crowd. Quaint yet bold. Rough yet radiant. Kai's animal statuettes are the perfect pint-sized companions.

PROCESS

The statuettes were crafted by hand using paper and tape. The final cast bronze forms are then left untreated to reveal this design process. The natural patina of bronze will develop over time.

CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible.

We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.
