# Tafari

2400 Off White

2401 Granite Grey

2402 Anthracite

2403 Dusty Brown

2404 Magic Black

2405 Sandstone

The microfibre material of this upholstery fabric is based on a coarse, square weave, the visual appearance of which is substantially refined by napping the surface. This also benefit the feel of the fabric – it makes it extremely soft. Bellaria therefore also owes it's appeal to an extraordinary texture.
