Description:

Circular design

Place the CIRCOE table anywhere you need a table to put your things or simply use it as a decorative element in your interior design. The table is entirely circular in all its elements, and the consistent design creates a unified and harmonious look. All CIRCOE's parts are turned in wood and designed to link together logically.

Year of design: 2013

Design: SUSANNE GRØNLUND

After completing her training at Danmarks Designskole, Susanne Grønlund set up her own studio 1991 and since she has designed and developed a wide and rewarded range of products like: textiles, clothing, toys, lifestyle products, lamps, outdoor furniture and not least furniture.

Common for all the new ideas is that they all take starting point in a simple and easy to grasp design style without compromising the function and quality. Her red thread is the Scandinavian design tradition with a humorous contemporary touch which is all combined in a continuous row of innovative ideas and projects, like beads on a string.
