

MATIN FLOOR LAMP

Design by Inga Sempé

HAY

Matin Floor Lamp

The Matin Floor Lamp offers a contemporary yet poetic design, with a construction that combines visual delicacy with physical robustness. The flat-packed design consists of a slender polished brass steel frame complemented with matte black hardware and zinc alloy joints at the base, which is paired with a pleated cotton shade in a variety of carefully selected colours. The light source is an integrated LED, offering a diffused light which is accompanied by a digital in-line dimmer floor switch to adjust the output of light if required.
