STORYTELLING

LUCEO LAMP FAMILY / BY AYTM DESIGN TEAM

The word LUCEO means to shine and in this family of lamps, the cool mix of glass and metal gives a playful expression – enhancing the transparency of the glass and the strength and hardness of the metal. LUCEO are aesthetic and sculptural lamps which take inspiration from the ancient Roman aqueducts. These beautiful buildings were created to bring water and life to the cities, just as LUCEO brings life and light to your home.
