HOW TO CLEAN / POLISH

PLATED IRON / STEEL / ALUMINIUM
To get rid of dirt and dust, mix a mild detergent with warm water.
Dip a soft cloth into the water & wipe the item down with the cloth.
If necessary, wipe the item dry with a soft dry cloth.

(Avoid scraping with an abrasive cloth, that could damage the surface)

POWDER COATED IRON / STEEL / ALUMINIUM
To get rid of dirt and dust, mix a mild detergent with warm water.
Dip a lint free cloth into the water & wipe the item down with the cloth.
If necessary, wipe the item dry with a soft dry cloth.

*(Avoid scraping or rubbing the powder coating with an abrasive cloth
that could damage or remove the coating from the surface)*

BRASS / STAINLESS STEEL
Make sure the metal is clean for dust and dirt on all surfaces before
you begin polishing. Then apply an adequate amount of metal polish
for brass / stainless steel with a soft and dry cotton cloth to the item.
Use a soft & dry cloth to polish the surface before the polish has dried.

(Make sure to read the instructions on the metal polish for specific guidance)

STORYTELLING

CURVA STOOL / BY AYTM DESIGN TEAM

The shapes and materials that characterize CURVA are inspired by the art deco style, which creates an elegant and multifunctional piece of furniture. With the CURVA stool, this is no exception. This innovative and beautiful stool is a piece of furniture that fits into any home. CURVA can be used as a practical seating in the hallway, a decorative wall installation, or as a bedside table - only the imagination sets limits. CURVA is designed with a distinctive and light expression. With its organic shapes and stringent lines, you get not just a piece of furniture but also a piece of art that will add something unique to your home decor.

THE CURVA FAMILY

Inspired by the waves of the ocean, the CURVA family refers to a mild summer day where a warm breeze and blue skies dominates the atmosphere. With the simple curves and contours, CURVA casts beautiful shadows and reflections that adds dimension and dynamic to any space. The overall appearance of CURVA takes on a light touch and blends perfectly into any setting. The simple wires creates a sleek, yet sculptural, expression that combines practicality with aesthetic with a functionality that is determined solely by your imagination.
