

# HEE BAR STOOL

PRODUCT FACT SHEET

## HEE BAR STOOL

DESIGN BY HEE WELLING, 2005

The absence of superfluous details in the Hee Bar Stool seems even more pronounced by its height and the presence of long slender legs. The ultimate in elemental design, this versatile bar/counter stool has a simple, uncluttered expression with excellent stability. Stackable and weather-proof, the Hee Bar Stool can be used in outdoor surroundings, as well as inside restaurants, bars and in the home.

### HIGHLIGHTS

- Part of a multifunctional family of chairs, lounges and stools in a variability of colours.
- The Hee collection features a weatherproof outdoor powder coating.
- The bar stools can be linked together in rows for conference use.
- Stackable on floor up to 10 pcs.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

### ACCESSORIES

#### FLOOR LINKING DEVICE

Grey plastic. Please note, the linking device is not premounted to the frame.

## **SUSTAINABILITY**

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

## SEAT CUSHION

Adding extra comfort and functionality to the Hee Chair collection, the Hee Cushion comes in different sizes to fit the seat of the Hee Dining Chair, Hee Lounge Chair and the Hee Bar Stool. The thin, slightly padded cushion features anti-slip material on the bottom to keep it securely in place. Made in Teflon-coated fabric for a water- and stain-resistant finish, the cushions are available in two colours and can be used all year round.
