- Removable seat cushion is optional with or without velcro
- Other base options are: solid wood legs, swivel base and bent steel tube base
- Available as a soft quilted version with added wadding in a large selection of fabrics and leathers
- Suitable for a wide variety of private and public environments
- Qualified for contract use

AAL 83

DESIGN BY HEE WELLING & HAY

With a moulded plywood frame this version of About A Lounge Chair is offset by the minimalist wooden frame, creating a slightly more angular expression. It is available in a low-backed version with a more intimate expression or in a high-backed version with an open, spacious feel. The wide choice of cushions, legs and upholsteries mean you can configure unique combinations that fit a variety of public and private contexts.

AAL 83 | Coda 100 | Black water-based lacquered oak base

AAL 83 | Flamiber Mimosa E9 | Water-based lacquered oak base

AAL 83 | Hallingdal 220 | Water-based lacquered oak base

EN TEST
EN 16139 - L2
Non-domestic seating

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
