

Bukowski Lounge Chair

With its bold geometry and unmistakable silhouette, the Bukowski Lounge Chair balances sculptural presence with welcoming ease. The lounge chair retains the essence of the original Bukowski Chair while enhancing its inviting nature, with an upholstered backrest and a lowered seat. Crafted from solid wood and generous upholstery, the lounge chair showcases an elegant silhouette, where a harmonious interplay of bold proportions conjures a visually captivating form. The seamless flow between slender and robust elements is masterfully articulated in the chair's sinuous legs, evoking a sense of fluidity and imparting the lounge chair with a strong, monumental presence.

- Suitable for use in both public and private settings.

Product Type	Chair, Furniture
Designer	Steven Bukowski, 2025
About the Designer	The work of Steven Bukowski is guided by traditional practices and fused with a distinctive playful approach. From his Brooklyn-based studio, he creates custom furniture for commercial and residential use, and designs for renowned design brands within design homewares, lighting, and furniture. A rich understanding of form, colour, materials, and manufacturing processes lends itself to items that are thoughtfully designed for a lifetime of use.
Environment	Indoor
Country of Origin	Latvia
Assembly Requirements	Preassembled
Material	The Bukowski Lounge Chair is a handcrafted piece made from FSC®-certified solid wood, showcasing high-quality craftsmanship. The legs are precisely turned and machined in Latvia, while the backrest and seat are formed from cold-molded foam and upholstered in Lithuania.
Cleaning & Care	Treat the wood by using a soft, dry cloth to remove dust. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the materials. Clean the upholstery by using a damp cloth to gently wipe the stain. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the textile. For further cleaning and maintenance instructions, please adhere to the textile manufacturer.
