

Eter series

Designed by Ramón Esteve, Spain

Inspired by classic Scandinavian design, Eter is a luxury chair created with a clear intention: to be a timeless addition to any dining space. The seat serves as the central, supportive element, with the legs and backrest attached to form a sturdy and cohesive structure. Tailor-make your Eter chair with the option of an upholstered seat. The padding can be replaced over time as it wears, ensuring the chair lasts for generations.

Meet the designer

Ramón Esteve is an architect and designer. Each project is born with the aim of creating complete environments through the interaction between both disciplines, where design and architecture come together to generate a complete experience for the user. In the field of product design, his work has been recognized with numerous international awards including the Red Dot Design Award and the NYCxDesign Award. He has also appeared on the AD100 list, and in 2018 the Forbes magazine included him in its list of the World's 100 Most Creative People.
