

FAN DINING CHAIR

Fan is a modern take on the classical Windsor design. A British archetype converted to a contemporary silhouette, creating an exclamation mark in any space with a semi-transparent structure that takes up minimal visual mass. Crafted in oak or birch wood and formed from a series of machined wooden spindles, Fan seating features a tapering, conical base and comes with an upholstered leather seat.

Year of Design	2012
Product Weight	17.60 lb
Foam Certification	BS 5852 Part 2: 1982 ignition source 5 (UK Sch 1 Part 1)
