

Brolly In-Table Lamp

Brolly In-Table is a new version of the Brolly Portable Table Lamp developed especially for hospitality settings. As the name suggests, this hardwired alteration allows you to seamlessly integrate the design in a tabletop or nightstand. Achieve an effortless look with the sharp conical lampshade and its slim rod floating discreetly above the table. The ideal height and harmonious stature allow the downwards facing light to spread generously while not taking up too much space or disturb the social intimacy if the lamp is placed in a dining table.

Product highlights

- A member of the Brolly family, which includes a Portable Table Lamp and Pendants in various sizes.
- Offered in two finishes: Black Anodized Aluminum and Beige Linen.
- Easily mounts to any surface, creating a stylish and permanent table lamp solution.
- Ideal for hospitality settings.

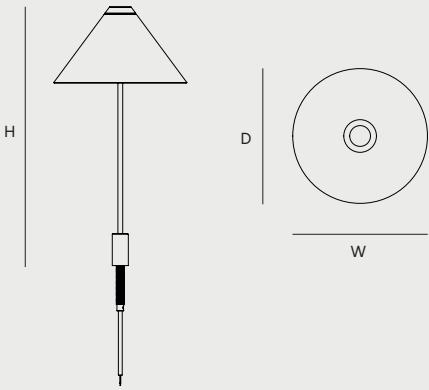

Product Type	Table Lamp, Lighting
Designer	Knut Bendik Humlevik/ 2025
About the Designer	After years of experience as a product designer, Knut Bendik Humlevik became New Works creative director in 2014. Leading the story of New Works in collaboration with a number of internationally renowned designers, Knut also contributes his own pieces to the collection. His Scandinavian heritage is combined with an internationally inspired passion for honest materials, in a quest to create artistic and highly functional objects.
Environment	Indoor
Country of Origin	PRC
Assembly Requirements	Preamsembled
Material	The Brolly In-Table Lamp features either a beige linen shade, or a black anodised aluminum shade, both topped with a CNC-machined, radially brushed aluminum coin. A black-painted steel tube ties the elements together.
Light Source included	Yes
Cleaning & Care	Turn off the electricity before cleaning the lamp. Use a soft, dry cloth to remove the dust from the lamp. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the material.
