STORYTELLING

GRASIL WALL LAMP / BY AYTM DESIGN TEAM

The GRASIL LED wall lamp is a wonderful addition for your bedroom. With several interior styling options, such as placing the wall lamp on each side of the bed or simply on its own, you can adjust the wall lamp as you please for less or more intense lighting. GRASIL LED wall lamp is also suitable for the walls in your hallway or entrance where it provides a charming and cozy setting.

THE GRASIL FAMILY

With a solid marble base and exquisite bended metal tubes, GRASIL provides a unique and exclusive expression with an overwhelming elegance. The rounded geometrical elements, connected in an asymmetrical shape, gives the GRASIL LED lamps a sculptural appearance – and with the solidity from the marble, that stands in contrast to the light expression from the bended metal tubes, these lamps symbolizes the most beautiful symbioses of balance.
