

Collage 450/600

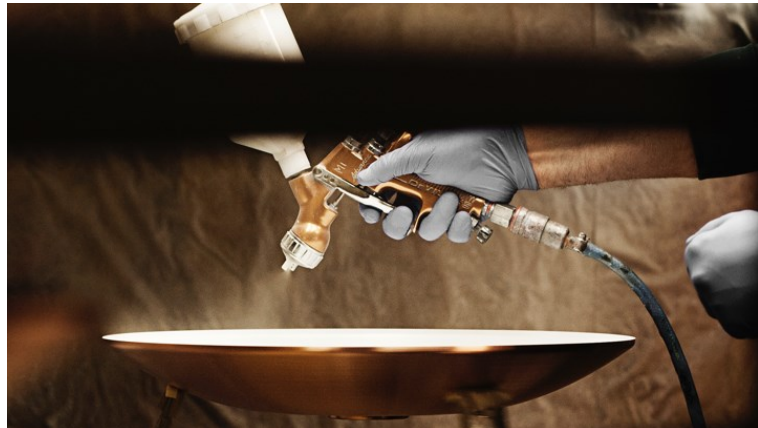

Collage 450/600 - 5741095214

The fixture emits diffused light directed primarily downwards. The patterns on the three lasercut acrylic shades have been carefully staggered with the aim of eliminating unpleasant glare from the light source. The patterns differ between the shades, resulting in different perceptions of light and shadow depending on the viewing angle. A soft and comfortable light will be obtained by mounting the lower antiglare shade.

Louise Campbell

Louise Campbell was born in Copenhagen in 1970. Being the daughter of a Danish father and an English mother, she grew up and was educated in both countries. After graduating from the London College of Furniture in 1992, she returned to Denmark and continued her studies in Industrial Design at Denmark's Design School, graduating from here in 1995.

Product info

Information

Top- and bottom antiglare shades are available as accessories.

Mounting

Suspension type: Cable 2x1.0mm². Canopy: Yes. Cable length: 3m.

Finish

White Matt.

Materials

Suspension: Natural anodised aluminium. Shades: Laser cut matt acrylic.

Sizes and weights

Width x Height x Length (mm) | 450 x 288 x 450 Max 3.1 kg | 600 x 360 x 600 Max 4.5 kg

Class

Ingress protection IP20. Electric shock protection II w/o ground.

Specification notes

The innovation of light sources is ongoing. Consequently we only inform about the max. wattages. On www.louispoulsen.com we update a list of recommendable light sources.

Light source

1x70W E27

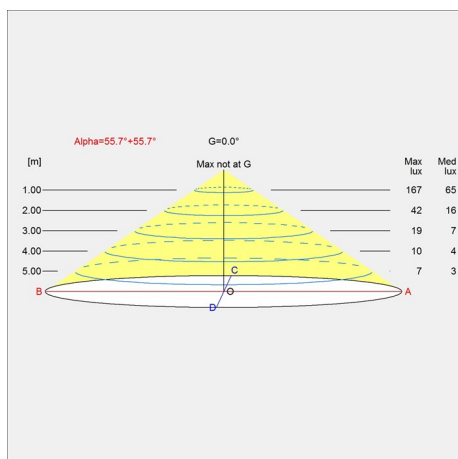

Information

Top- and bottom antiglare shades are available as accessories.
