Derven Table

Product facts

Materials

Solid Oak

Available finishes: White, Natural or Smoked Oak Oil

Solid Walnut

Available finishes: Natural Oil

Technical features

Plate

The table plate is fully made from solid wood – oak or walnut. One of the main technical features of the table is that it has no table aprons. The solid wood plate has steel stiffeners at the bottom of the plate, which prevents minor changes in the dimensions of the wooden parts over time, due to hygroscopy (seasonal changes in humidity that can cause the wood to expand or contract).

Legs

The legs are demountable and made of solid wood.

Finish

Available in three plant-based Hardwax oil finishes (colors), which retain the wood's natural state (white, natural and smoked oil for the solid oak version). For the walnut version, the finish is available only in natural oil.

Cleaning

Please see [Product](#) or [Material](#) page on our website

Notes to consider

Variations

Natural variations in wood color and surface may occur. Wood discoloration as well as the number, density and diameter of knots are more pronounced in the Wild American walnut version, compared to the American walnut.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

Dimensions (tolerances)

The dimensions shown are indicative and subject to variation, due to the natural properties of wood, seasonal factors, and manufacturing processes. Deviations from the specified size may occur, typically not exceeding 1 cm.

Environmental profile

Sustainable approach

One pivotal aspect of our commitment to sustainability is our firm dedication to sourcing wood only from FSC®-certified forestry. With 85% of GAZZDA products bearing the FSC® label (FSC-C130602), you can be assured of its ethical origin and contribution to preserving our precious forests.
