## A sculptural dining experience

Normann Copenhagen introduces Bue Table, a remarkable dining table that embodies sculptural elegance. With its unique design and exquisite craftsmanship, Bue Table offers a captivating centerpiece for any dining setting.

Crafted from high-quality oak veneer, Bue Table features a round tabletop resting on a decorative triangular base with rounded sides. This distinctive design optimizes legroom and adds an elegant touch, while enhancing the table's robustness and stability. The harmonious combination of geometric elements and subtle curvatures creates a sculptural and dynamic aesthetic, making Bue Table a captivating focal point in any interior.

Meticulously crafted with attention to detail, Bue Table's use of premium oak veneer enhances its natural beauty and ensures long-lasting durability. With its artistic allure and functional design, Bue Table offers a memorable dining experience that seamlessly integrates style and practicality. Bue Table is available with a diameter of 120 cm and in two tactful finishes of oak and Brown stained oak.

## Connecting People and Spaces

Since Normann Copenhagen's foundation in 1999, our ambition has been to challenge conventional thinking and make the ordinary extraordinary through great design. By combining the craftsmanship, functionality and endurance characterized by our Danish design heritage with modern silhouettes and durable materials, we aim to create original products in a contemporary design that withstand the test of time. We believe in uniting people and spaces across the world and improving the quality of people's lives through the power of great design. Our products combine functionality and design and accommodate the diversity of needs of modern life in residential and professional interiors alike.
