SPIDER TABLE

Inspired by Brutalist Architecture from the 60s, the Spider Table is rich on architectural references. Characterised by its eight legs, the Spider Table creates a series of columns, reminiscing classic architecture with a distinctive play of shadows. The thick tabletop features a thin line around the edge, emphasising the square shape of the Spider Table.

Spider Table is made of cast fiber concrete for a rich and tactile surface.

Designed by Kristian Sofus Hansen & Tommy Hyldahl

Product no: 223012

Type: Table

Designer / Year of design:
Kristian Sofus Hansen & Tommy Hyldahl, 2021

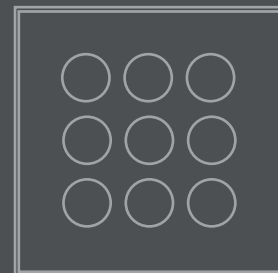

Colour: Coffee
Material: Fiber Concrete

Care instructions:
Use a soft dry cloth to clean the product.
Do not use household cleaners.
Not frost-proof

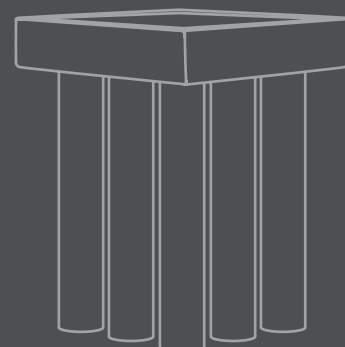

Dimensions: L35 / L35 / H45 CM
Country of origin: CN

Product weight: 14,30 Kgs

Packaging:
Dimensions: L40,5 / W40,5 / H53 CM
Total weight incl. product: 15,9 Kgs
Number of parcels: 1
Material: Brown cardboard
