

DLM

PRODUCT FACT SHEET

DLM

DESIGN BY THOMAS BENTZEN, 2007

Thomas Bentzen's portable side table is aptly named 'Don't Leave Me'. Abbreviated to DLM, it features a convenient handle that allows the metal table to be carried from room to room. Although it has a lightweight and portable structure, the three slanted legs provide great stability. Available in two sizes, the DLM and DLM XL make functional alternatives to traditional coffee tables and can be used in most home or office environments. Both sizes are made in powder coated steel and come in different colour options.

HIGHLIGHTS

- Lightweight portable side table.
- Available in a variety of colours and glosses.
- Available in two sizes - Ø38 cm | and Ø48 cm.
- Suitable for a wide variety of private and office environments.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
