STONE CANDELABRA + BOOKENDS

This season, two new additions join the beloved STONE family, a stackable four-piece Candelabra and a set of minimalist curved Bookends. STONE is a series of lighting and accessories inspired by the materiality of the same marble used to build the Taj Mahal. The hard, semi-precious surface which bears a unique fingerprint has transfixed architects, sculptors and designers for millennia, and for us too this is the dream material – tough yet tactile, heavy and long-lasting.

The STONE accessory collection includes:

Stone Candleholder (new)

Stone Bookends x 2 (new)

Stone Chopping Board

Stone Serving Board

Stone Spice Grinder

Stone Pestle & Mortar

The STONE lighting collection includes:

Stone Portable light LED (new)

Stone Pendant light LED

Stone Wall light LED

STONE is available online at Tomdixon.net and from all Tom Dixon hubs internationally.

Notes to editors

Established in 2002, Tom Dixon is a British luxury design brand which is represented in 90 countries. Specialising in furniture, lighting and accessories, Tom Dixon has hubs in London, Milan, Hong Kong, New York, Tokyo, Hangzhou, Beijing and Shanghai. With an aesthetic that is intrinsically inspired by the brand's British roots, the products are internationally recognised and appreciated for their pioneering use of materials and techniques.

Founder and eponymous Creative Director Tom Dixon is a restless innovator who rose to prominence in the mid-1980s as a maverick, untrained designer with a line in welded salvage furniture. While working with the Italian giant Cappellini he designed the widely acclaimed 'S' Chair. In the late 90s Tom became Creative Director at Habitat and rejuvenated the brand while maintaining Terence Conran's vision of enriching everyday life through simple, modern design. In 2001, Tom was awarded an OBE by Her Majesty the Queen for his services to British design. In 2014 he was awarded 'Designer of The Year' at Maison & Objet, Paris. In 2019, he received a silver medal for Best Garden at the RHS Chelsea Flower Show and in the same year, was awarded the prestigious London Design Medal at the British Land Celebration of Design Awards. Tom is one of the industry's most feted British designers and is internationally heralded as a significantly original talent.

Best-selling products such as Beat, Melt, S-Chair and Wingback are instantly recognisable and have been acquired by the world's most famous museums including the Victoria & Albert Museum, London; MOMA, New York; and the Centre Pompidou, Paris. Latest additions to the brand's range, such as the Fat chair, Spring lights and Swirl accessories are quickly gaining momentum and reiterate Tom's status and significance in the design world.
