FLEXLUX®

THE PLEASURE OF BEING

A read, a drink, a break, a daydream - we all need somewhere to savour the moment. FLEXLUX® is designed to be that place.

Treat yourself to some me-time every day. Sit back, relax and experience the pleasure of being.

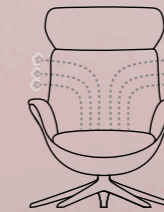

THE FLEXLUX[®] EXPERIENCE

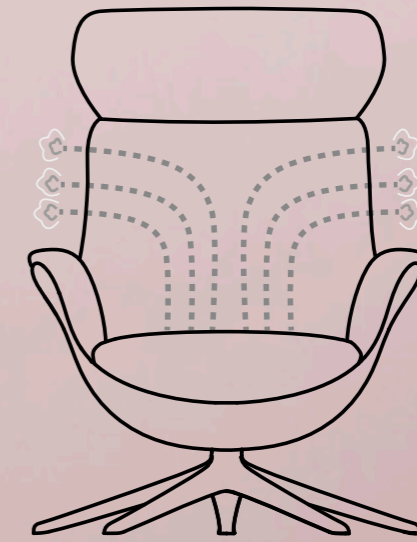

Effortless adjustability lets you find your favourite positions, while 5 layers of uniquely cushioned padding adapt to your body's every move. Coupled with integrated Air Channels[™] and perforated leather for outstanding breathability, FLEXLUX[®] ensures you will find pleasure in every moment.

5 LAYER COMFORT[™]

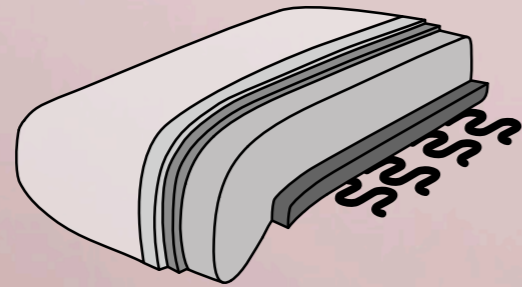

AIR CHANNELS[™]

AIR CHANNELS™

Integrated Air Channels™ and perforated leather allow your body to breathe and help you stay comfortable. Keeping you warm when the air is cool and cool when it is warm.

5 LAYER COMFORT™

The FLEXLUX® experience is provided by a 5 layer cushion. We start with a Nozag spring, add bonded foam, moulded high resilience foam, then add a layer of hyper soft foam and finally, a layer of thermo-fixed fiber.

The result is a luxurious cushion that contours the body to deliver exceptional comfort.

EASE TECHNOLOGY™

EASE Technology™ gas spring mechanism lets you change positions smoothly and effortlessly, ensuring a calm place to relax and unwind.

Adjustable angle of the headrest for reading, watching TV or relaxing.

Height adjustable headrest.

Dynamic adjustment of the angle in the back, for optimal ergonomics.

5 layers of uniquely cushioned padding, adapt to your body's every move.

Integrated Air Channels™ and perforated leathers, allow your body to breathe and stay comfortable.

Smooth and effortless adjustment of the back position for optimal support.

Durable composite shell in multiple trend colors, or fully upholstered.

360° rotation.

Elegant aluminum base with maximum stability. Available in 3 different colors.

Adjustable height with the optional leg extender.
