

IT'S ABOUT RoMi[®]
CITYLIGHTS

HELLO,

We are it's about RoMi,
Realistic Open Minded Individuals since 1993!
Our studio is based along the oldest canal in
Amsterdam, the capital city of the Netherlands.

For the past 20 years we have been creating
with our in-house design team accessories and
lighting for your home.

CITYLIGHTS is our concept of contemporary
lighting inspired by the urban life in big cities.
Sleek monochrome styles in soft nickel finish,
clean white and pure black. Hand made cotton
and linen shades in no less than 15 colours.

We like to work with different materials such as
cement, bamboo, polystone and fiberglass.
Stockholm is a great example of green, industrial
design. This eco pendant is 100% biodegradable.

We are proud to present the new **CITYLIGHTS**
collection 2014!

All lamps are CE-complid and produced for 230V. Suggestion: always use energy saving bulb (=CFL) which provides 5 times more light than a regular bulb. Example: 12W CFL x 5 = 60W regular bulb.

Oh, London is a man's town
there's power in the air.
And Paris is a woman's town
with flowers in her hair.
It's sweet to dream in Venice
and great to study Rome.
But when it comes to living
there is no place like home!
