ROSENDAHL
DESIGN THAT LASTS

THE STORY OF AN AMBITIOUS MERCHANT

Rosendahl was founded in 1984 by Erik Rosendahl, who believed that quality design should be available to the many.

With people's everyday life as the point of departure and a commercial mindset as the foundation, Rosendahl has established a proud tradition for creating design that impresses with its simple, yet functional properties.

The small details and the unique properties have, through time, made Rosendahl the popular choice among consumers – because when it's about quality and timeless design, Rosendahl is among the best.

Timeless

Since its foundation, Rosendahl has drawn on it's heritage to create design classics with attitude. Today, we continue to stay true to our past in everything we do.
