# Love

Don't you just love a good table? One that marks its presence in the room without taking over. Sturdy and solid as proof of genuine craftsmanship, yet designed with a delicate and elegant touch. When you find one like that, it must be Love.

# Room

This coffee-table rests on a thin metal frame that is light on the eye, but sturdy enough to cope with all your coffee-table books. Add a soft, rounded wooden top and you've got a simple, yet convincingly stylish companion to any contemporary interior.

# Urban

A table with an attitude. Minimalistic legs in metal carry the handmade tabletops in architectural concrete or best quality wood. Rectangular, square and round shapes are available and it is possible to combine into a two level table.

# Crystal

Glass has the ability to add a sense of lightness to your interior, and this series of coffee tables is no exception. Even the large triangular table size is not overwhelming, but sits nicely in a corner while emphasizing the features of its surroundings

# Secret

The Secret coffee table comes in three unique round versions. One is made entirely of wood, the other two have a wooden top supported by a metal frame. And as the name suggests, they all hold a secret. Just slide the top and reveal the practical storage for small items.
