LAUNCHES

UTZON PENDANT JU1

BY JØRN UTZON

1947

To Jørn Utzon, his father's naval engineering drawings became a lifelong fascination with ships and boats, along with light. More than a decade before Jørn Utzon created his masterpiece, the Sydney Opera House, he put his childhood fascination into this pendant, combining successfully the smoothness of the lines of a ship with the source of light for the first time.

&tradition is a Danish design company established in 2010 with the founding principle being tradition tied to innovation. Our unique library of furniture and lighting spans from the 1930s to the present day and includes designs by internationally renowned designers.
