- Other base options are: aluminium base, moulded plywood base and bent steel tube base
- Available as a non-quilted full upholstery in a large selection of fabrics and leathers
- Suitable for a wide variety of private and public environments
- Qualified for contract use

## AAL 82 SOFT DESIGN BY HEE WELLING & HAY

The AAL 82 Soft fuses the natural elegance and character of the four-legged wooden base with the softness and warmth of the quilted shell. Retaining the same compact body, shaped armrests, and simple, sculpted design that characterise the rest of the lounge series, this design rests upon four solid, rounded legs. The oak base is available in different finishes and the quilted shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.

AAL 82 Soft | Remix 662 | Black water-based laquered oak base

AAL 82 Soft | Re-wool 218 | Water-based laquered oak base

---

EN TEST  
EN 16139 - L2  
Non-domestic seating

---

## SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
