Launched In 2026 | Designed by Sir Kenneth Grange

Product

Table Lamp – Pale Putty with Opal Glass

Description

Designed by Sir Kenneth Grange, the Type 80 T1 Table Lamp brings the collection's distinctive graphic profile into a compact, highly usable form. Its clean silhouette combines an elegant opal glass shade, slim steel arm and weighted steel base, creating a simple, balanced structure suited to desks, bedside tables where space it at a premium.

A spring joint at the shade allows the light to be positioned with precision, in all necessary angles. While the signature halo light-escape provides a softer secondary glow alongside direct task illumination. An anodised machined joint adds durability and refined technical detail.

Materials

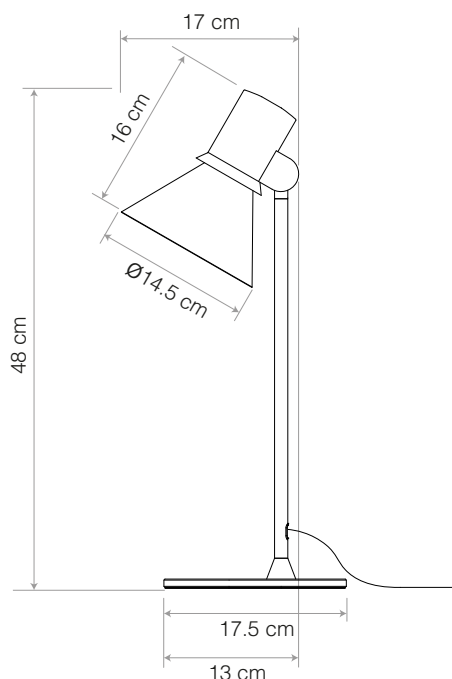

- Satin paint and anodised aluminium finish
- Glass shade opal finish
- Steel arms
- Anodised machined joints
- Steel base
- IP20 rating

Dimensions

- Shade Diameter: $\varnothing 14.5\text{cm}$
